How it Works

Step 1:

Set the Amount For Your Employees

Decide on the value you would like to provide your employees as a voucher. We have multiple voucher options available. We will provide a coupon code for that value that your employees can use.

Step 2:

Select Your Product Set

Chairs, desks, sit/stand tables, accessories. We have a complete line of products that you can make available. Not sure? We are experts and can help with your selection!

Step 3:

Send Out Your Link and Let Your Employees Shop

With your branded store front created, we will provide you the URL and coupon code your employees need to shop.

Step 4:

Receive All Confirmation Emails

Let us know what members of your team would like to receive confirmation emails for all orders placed on our portal so you can track what employees are purchasing in real time.

Step 5:

We Take Care of the Rest!

Once an order is placed, there is no additional action you need to take! We process all orders, alert the employee of when it ships and assist with any issues along the way.

Frequently Asked Questions

Although this is a straightforward process, you may have questions.

How do I know what product offerings to select?

Don't fret about it! Our furniture team are experts in ergonomics and functionality. We can offer suggestions about what products we think your employees will like the most. Just let us know some basic information and we take it from there.

What is your return policy?

Office Furniture Center can offer a 30-day money back guarantee on any product purchased through one of its partner portals. If any item is received damaged or broken, Office Furniture Center will work with our manufacturing partners to get a replacement product or piece shipped out.

Is there any warranty provided on these products?

Our new product offerings are backed by each individual manufacturers warranty information. All this information will be provided on your web store based on what products you select.

How long will it take for an employee to receive an order?

Expect 7-10 day lead times for any order. Orders will be process and shipped in 3-4 days, and you can expect an average of 4-5 days for normal shipping.

Can I limit how much an employee can purchase?

Yes! You are in control of the program you want to set up. You can choose a voucher program which can be redeemed by your employees online. We can offer suggestions of what may work best, based on what product sets you select. Your employees also have the option to purchase additional furniture at their own expense.

How does your billing work?

All vouchers must be paid for up front. We offer vouchers in increments of \$500, \$1,000 and \$1,500, and you can purchase as many vouchers as you would like for your employees to be able to redeem on your marketplace.
